Competition Club is designed to train and prepare skaters currently enrolled in AAFSC's LTS program for participation in the Michigan Basic Skills (MBSS) competition series. Through this program skaters will prepare for an event at their individual level, learn the process of competing and attend a local Basic Skills competition. The program is intended to introduce skaters to the excitement of competition, improve individual skating skills, and foster feelings of accomplishment and good sportsmanship.

Your skater will receive ½ hour or two half hours per week of skating time with instruction that is divided by Basic Skill badge level. There will be approximately 4 skaters per instructor.

Fee includes registration for **two events** at the same designated MBSS competition(s) (\$70 Value).

There will be a parent information meeting prior to the competition.
