Competition and Performance Club is designed to train and prepare skaters currently enrolled in AAFSC's LTS program for participation in the Michigan Basic Skills competition series (MBSS) and other performance opportunities throughout the year. Through this program skaters will prepare for an event at their level, learn the process of competing and performing, and participate in a local Basic Skills competition or performance opportunity. The program is intended to introduce skaters to the excitement of competing and performing, build confidence in individual skating skills, and foster feelings of accomplishment and good sportsmanship.

Your skater will receive a 1/2 hour and/or 1 hour session of skating time utilizing the full ice with instruction. The skaters will be divided by level with approximately 4 skaters per instructor.

Fee includes registration for two events at the same designated MBBS competition. (\$70 Value)

There will be a parent information meeting prior to competition.
